Subject: Planned HWY 104 protest in Amherst - Sunday
Importance: High

Paula, Brett – you may already be aware of this planned protest.

Tracy – Our ICE team plans to “maintain a presence and oversight in a public safety capacity”.

Issue:

- The U.S. and Canadian Federal Governments recently announced COVID vaccine requirements for commercial truckers entering both the U.S. and Canada. This has resulted in significant media attention due to the impact on the trucking industry and import/export supply chain. A recent Facebook Page, titled Convoy for Freedom, is attempting to solicit interest for persons to take part in a demonstration on Sunday, January 23, 2022, in support of the commercial trucking industry.

Background:

- The Facebook organizers of this event are Tommy EVERETT and Tasha EVERETT
- The EVERETTs were also the primary organizers of several similar COVID related protests and demonstrations last Spring at the NS/NB land crossing, located in Fort Lawrence, N.S.
- These events eventually led to a major protest and two day shut-down of the Trans Canada Hwy in June, 2021, which was initially organized by now Independent MLA, Elizabeth SMITH-MCCROSSIN.

Current Status:

- The proposed event is requesting persons meet at the Amherst Centre Mall on Sunday, January 23, 2023 at 1130 hrs.
- The plan is to depart the mall and conduct a 'slow roll' down Hwy 104 west bound toward the NS/NB land-crossing in Fort Lawrence, N.S.
- Once at the border, the proposed plan is to park along the Highway.
- Organizers also call on New Brunswick residents to meet at the Aulac Big Stop on the NB side of the border and proceed in similar fashion east bound.
- The posting states they plan to use the right lane only in both directions in order to allow traffic through.
- Previous events have historically started at noon and typically last until 1400 hrs.
